

**ANKARA UNIVERSITY
FACULTY OF VETERINARY MEDICINE
2017-2018 ACADEMIC YEAR
FALL SEMESTER FINAL AND COMPLETION
EXAMINATION PROGRAMME**

| ENGLISH PROGRAMME FINAL EXAM DATE | 1/E | 2/E | 3/E |
|--|---|--|--|
| 02 January 2018 Tuesday | Foreign Language Basic Genetic Terms (E) | Foreign Language Avian Physiology (E) | Pharmacology I and Prescription Know. Parasitic Zoonosis (E) |
| 03 January 2018 Wednesday | Turkish Literature I | Physiology I | Feed Hygiene and Technology Mycology (E) |
| 04 January 2018 Thursday | Medical Physics Scientific Bibliographic Consideration | Information and Communication Technology II | Milk Hygiene and Technology Viral Zoonosis (E) |
| 05 January 2018 Friday | Atatürk Principles and History of Revolution | Adv.Reading and Com.Tech.in English I Population Genetics and Evolution Biology (E) | Virology II Laboratory Animal Science (E) |
| 08 January 2018 Monday | Medical Biology Anatomical Preparates and Preparation Techniques (E) | Histology II Immunoprophylaxis (E) | Animal Science I Feed Additives and Feed Legislation (E) |
| 09 January 2018 Tuesday | Organic and Inorganic Chemistry Development of Reading and Writing Skills English I | Topographic Anatomy | Microbiology II Viral Vaccines (E) |
| 10 January 2018 Wednesday | Anatomy I | Genetics Development of Organs and Systems in Avian and Mammalian Species (E) | Poultry Diseases Agronomy (E) |
| 11 January 2018 Thursday | Medical Botany | Biochemistry I | Entomology Gene Engineering and Biotech. (E) |
| 12 January 2018 Friday | History of Veterinary Medicine Anatomical Terminology (E) | Immunology Basic Biochemical Techniques and Their Applications in Biotechnology (E) | Meat Hygiene, Inspection and Technology Helminthology |

| ENGLISH PROGRAMME COMPLETION EXAM DATE | 1/E | 2/E | 3/E |
